RE: Determination of Potentially Liable Person Status

Pilot Travel Center, 1512 Highway 96, Ellensburg, WA 98926
Facility/Site ID #: 18911356
Parcel #: 376133

Dear Ms. Hauer:

On October 19, 2010, the Department of Ecology (Ecology) sent you written notice regarding your proposed status as a potentially liable person (PLP) for a release of hazardous substances at the above-referenced site.

The 30-day comment period on this preliminary notice expired on November 28, 2010.

We have not received comments from you as of December 21, 2010. Based on the information available to date, Ecology finds credible evidence exists supporting your status as a potentially liable person for the release at the Pilot Travel Center. On the basis of this finding, Ecology has determined that you are a Potentially Liable Person (PLP) with regard to the Pilot Travel Center.

Your rights and responsibilities as a PLP are outlined in Chapter 70.105D RCW, and WAC 173-340. Ecology's site manager, Norm Peck, will contact you with information about how Ecology intends to proceed with the cleanup at this site.

If you have any questions regarding this notice, please contact Norm Peck at 509-454-7837.

Sincerely,

Valerie Bound
Section Manager
Toxics Cleanup Program
