Re: Notice of Satisfaction, Enforcement Order No. DE 92-TC-C108; Vendor No.
00IT000094 (Crest Linen), Yakima, Washington

Dear Mr. Austin:

The Department of Ecology (Ecology) Toxics Cleanup Program has reviewed the file for this site to determine if the substantive requirements of Enforcement Order No. DE 92-TC-C108 have been met. The Enforcement Order required Yakima County to operate and assume financial responsibility for their portion of the bottled water program.

Ecology has determined that Yakima County has met the substantive requirements in the Enforcement Order No. DE 92-TC-C108 between the Department of Ecology and Yakima County.

If you have any questions feel free to call me at (509) 454-7842.

Sincerely,

Jeff Newschander
Interim Section Manager
Toxics Cleanup Program
