The Department of Ecology is committed to providing timely and accurate information to the community about the Boeing Auburn Fabrication Site cleanup process. There are many ways to get involved.

Algona Community Forum:

The Algona Public Awareness Coalition (APAC) invites residents of Algona to a community forum on November 19, 2014. Dr. Peter deFur, President of Environmental Stewardship Concepts, will make a presentation about groundwater and how it moves. Representatives from Ecology will provide updates about the ongoing remedial investigation of the groundwater contamination that underlies the northeast area of Algona.

For more information please contact:

Jeanette Ordonez at (253) 347-0460 or jeanette@futurewise.org
