Dear Mr. Adeline:

RE: Determination of Potentially Liable Person Status - Adeline Property, 16 North
First Street, Yakima, WA

On or before October 20, 1995 the Department of Ecology (Ecology) sent you written notice regarding your proposed status as a potentially liable person for a release of hazardous substances at the Adeline Property known as 16 North First Street, Yakima, Washington. The 30 day comment period on this preliminary notice, and any subsequent extension granted by Ecology, has expired.

We have received and evaluated your comments. Based on the information available to date, Ecology finds that credible evidence exists which supports your status as a potentially liable person for a release at Adeline Property. On the basis of this finding, the Department of Ecology has determined that you are a Potentially Liable Person (PLP) with regard to this site. Additionally, based on the confirmed presence of PCE in the soil at the Adeline Property, the Department of Ecology has determined that you are a Potentially Liable Person (PLP) with regard to the Yakima Railroad Area.

Mr. Antonia Robert Adeline
