Re: Opinion Pursuant to WAC 173-340-515(5) on the Work Plan for the Following Hazardous Waste Site:

- **Name:** :Lake Chelan Boat Co Lady of the Lake II
- **Property Address:** 1418 W. Woodin Avenue, Chelan, WA
- **Facility/Site No.:** 93262331
- **VCP Project No.:** CE0410
- **Cleanup Site ID No.:** 11738

Dear Ms. Pederson:

Thank you for submitting documents regarding your proposed remedial action for the Lake Chelan Boat Co Lady of the Lake II facility (Site) for review by the Washington State Department of Ecology (Ecology) under the Voluntary Cleanup Program (VCP). Ecology appreciates your initiative in pursuing this administrative option for cleaning up hazardous waste sites under the Model Toxics Control Act (MTCA), Chapter 70.105D RCW.

This letter constitutes an advisory opinion regarding a review of submitted documents/reports pursuant to requirements of MTCA and its implementing regulations, Chapter 70.105D RCW and Chapter 173-340 WAC, for characterizing and addressing the following release(s) at the Site:

- Total diesel-range petroleum hydrocarbons (TPH-D) into the soil and groundwater.

Ms. Pederson
Lake Chelan Boat Co Lady of the Lake II CE0410
July 13, 2015

Ecology is providing this advisory opinion under the specific authority of RCW 70.1050.030(1)(i) and WAC 173-340-515(5).

This opinion does not resolve a person's liability to the state under MTCA or protect a person from contribution claims by third parties for matters addressed by the opinion. The state does not have the authority to settle with any person potentially liable under MTCA except in accordance with RCW 70.1050.040(4). The opinion is advisory only and not binding on Ecology.

Ecology's Toxic Cleanup Program has reviewed the following information regarding your proposed remedial action(s):

1. Workplan for Site Activities, Lake Chelan Boat Company, prepared by Antea Group dated June 19, 2015.

The report listed above will be kept in the Central Files of the Headquarters office of Ecology (HQ) for review by appointment only. Appointments can be made by calling the HQ resource contact at (360) 407-7170.

The Site is defined by the extent of contamination caused by the following release(s):

- Total diesel-range petroleum hydrocarbons (TPH-D) into the soil and groundwater.

Based on a review of supporting documentation listed above, pursuant to **requirements contained in MTCA and its implementing regulations, Chapter 70.1050 RCW and Chapter 173-340 WAC, for characterizing and addressing the following releases(s) at the Site, Ecology has determined:**

Work Plan for additional site investigation per Colony Claim 208188 is hereby approved.

This Opinion does not represent a determination by Ecology that a proposed remedial action will be sufficient to characterize and address the specified contamination at the Site or that no further remedial action will be required at the Site upon completion of the proposed remedial action. To obtain either of these opinions, you must submit appropriate documentation to Ecology and request such an opinion under the VCP. **This letter also does not provide an opinion regarding the sufficiency of any other remedial action proposed for or conducted at the Site.**

Please note that this opinion is based solely on the information contained in the documents listed above. Therefore, if any of the information contained in those documents is materially false or misleading, then this opinion will automatically be rendered null and void.

Ms. Pederson

The state, Ecology, and its officers and employees make no guarantees or assurances by providing this opinion, and no cause of action against the state, Ecology, its officers or employees may arise from any act or omission in providing this opinion.

Thank you for choosing to clean up the Site under the Voluntary Cleanup Program (VCP). As you conduct your cleanup, please do not hesitate to request additional services. We look forward to working with you.

For more information about the VCP and the cleanup process, please visit our web site: www.ecy.wa.gov/programs/tcp/vcp/vcpmain.htm. If you have any questions about this opinion, please contact me by phone at 360-407-7244 or e-mail at nmad461@ecy.wa.gov.

Sincerely,

NNAMDI I. MADAKOR
