Re: Release Reporting Notice
10640-10650 NE 8th Avenue, Bellevue, Washington 98004

Dear Sir/Madam:

BV Holdings, LLC owns real property located at 10640-10650 NE 8th Avenue, Bellevue, Washington 98004. BV Holdings, LLC was recently notified by the Touchstone Corporation, a potential purchaser, that petroleum hydrocarbons and chlorinated solvents were discovered in the soil and groundwater of the properties. Attached is a copy of Sound Earth Strategies' April 8, 2011 letter and report for the soil and groundwater samples. Pursuant to WAC 173-340-300(2)(a), BV Holdings, LLC is providing the Department of Ecology with this notice of a hazardous substance release. Please contact the undersigned if you have any questions or wish to discuss this site further. Thank you.

Sincerely,

Robert Zarkos
