RE: Determination of Potentially Liable Person Status

- Site Name: Temple Distributing/Carson Oil
- Site Address: 808 South Columbus Avenue, Goldendale
- Facility/Site ID No.: 95474961
- Cleanup Site ID No.: 11985

Dear Trustees:

On September 4, 2015 the Department of Ecology (Ecology) sent you written notice regarding your proposed status as a potentially liable person (PLP) for a release of hazardous substances at the above-listed site.

The 30-day comment period on this preliminary notice expired on October 4, 2015.

Based on the information available to date, Ecology finds that credible evidence exists which supports your status as a potentially liable person for the release at Temple Distributing/Carson Oil. On the basis of this finding, Ecology has determined that Temple Family Survivor's Trust is a Potentially Liable Person (PLP) with regard to the Temple Distributing/Carson Oil Site.

Your rights and responsibilities as a PLP are outlined in Chapter 70.105D RCW, and WAC 173-340. Ecology's site manager for the facility, Mary Monahan, will contact you with information about how Ecology intends to proceed with the cleanup at this site.

If you have any questions regarding this notice, please contact Mary Monahan at (509) 454-7840 or by email at Mary.Monahan@ecy.wa.gov.

Sincerely,
