Dear Mr. Lie:

The Department of Ecology (Ecology) is terminating the VCP Agreement governing Project No. NW2496 . The project involved the cleanup of the **Cowman Campbell Paint Co** facility (Site). The effective date of termination is the date of this letter. We are providing this notice in accordance with the terms of the Agreement.

Reason

Ecology is terminating the Agreement because of a failure to pay for past services. Since you have not responded to our invoices for Site review, we have decided to terminate the Agreement.

Next Steps

Based on this decision, Ecology may take one or more of the following steps:

1. Send you an invoice for any costs remaining on your account. In accordance with the terms of the Agreement, you remain responsible for any costs incurred by us before the effective date of termination.
2. Conduct a site hazard assessment (SHA) and rank the Site for further action.
3. Identify those persons we find potentially liable for cleanup of the Site.
