Re: Termination of VCP Agreement for the following Site:

- **Site Name:** Seattle Housing Authority Main Parking Lot
- **Site Address:** 1225 N 45th St., Seattle
- **Facility/Site No.:** 70996824
- **Project No.:** NW1415

Dear Mr. Catteral:

The Department of Ecology (Ecology) is terminating the VCP Agreement governing Project No. NW1415. The project involved the cleanup of the Seattle Housing Authority Main Parking Lot facility (Site). The effective date of termination is the date of this letter. We are providing this notice in accordance with the terms of the Agreement.

Reason

Ecology is terminating the Agreement because we understand that you are not actively cleaning up the Site. On 5/1/2009, we sent you a letter requesting an update on the status of your cleanup and your plan for completing the cleanup. You responded with a Second Quarter 2009 Groundwater Monitoring Report on 9/3/2009. After considering your response, we have decided to terminate the Agreement.

Next Steps

Based on this decision, Ecology may conduct a site hazard assessment (SHA) and rank the Site for further action.

You may apply to reenter the VCP if you decide to conduct further action at the Site.
