Re: Request for Information on Status of VCP Project for the Following Site:

- **Site Name:** Jackpot Station 352
- **Site Address:** 4200 Wheaton Way, Bremerton, WA 98310
- **Facility/Site No.:** 86856327
- **Cleanup Site No.:** 10880
- **VCP Project No.:** NW 2340

Dear Mr. Sprague:

The Department of Ecology (Ecology) appreciates your decision to clean up the **Jackpot Station 352** facility (Site) independently. However, our records indicate that we have not received any information concerning remedial actions during the past year at the Site. Delinquent payment for Ecology's time had been an issue for this project, and a stop work declaration had been established. The stop work declaration is no longer in place as the delinquent invoices have been paid. This letter requests information on the status of your cleanup and your continued interest in the Voluntary Cleanup Program (VCP).

Request for Information

Please submit the following information to Ecology within 30 days of the date of this letter:

1. Cleanup status report.
2. Any reports documenting the cleanup.
3. Plan and schedule for completing the cleanup.

Next Steps

Based on your response, Ecology will decide whether to continue providing you services under the VCP. We will notify you of our decision in writing. Please note that we will terminate the Agreement governing this Project if you do not respond to this request.
