

# Healthy Actions

to remove dirt from your home

**TAKE OFF YOUR SHOES**  
at the door

**WASH CHILDREN'S TOYS & PACIFIERS**  
frequently

**WASH YOUR HANDS**  
with soap and water

**MOP AND VACUUM**  
once a week

**WASH ALL FRUITS AND VEGETABLES**  
before eating

**WEAR SHOES AND GLOVES**  
when gardening and working outdoors

## Why is it important to do these healthy actions?

There are many unhealthy things in dirt, including harmful chemicals that can hurt your body. Some areas in South King County are contaminated with higher levels of arsenic and lead. These chemicals remain in the soil and will continue to be a health risk for years to come.

**These healthy actions are simple steps you and your family can take to reduce contact with arsenic and lead in the dirt.**
