Re: Determination of Potentially Liable Person Status

Dear Mr. Sidell:

On February 18, 2016, the Department of Ecology (Ecology) sent you written notice regarding your proposed status as a potentially liable person (PLP) for a release of hazardous substances at the following site:

- Name: Whitehead Tye
- Address: 730 S. Myrtle Street, Seattle, WA 98108
- County Assessor's Parcel Number 2734100270
- Facility/Site No.: 9809

The 30-day comment period on this preliminary notice expired on March 18, 2016.

We have received your written notice accepting liability for the site. Based on the information available to date, Ecology finds that credible evidence exists which supports your status as a potentially liable person for the release at the Whitehead Tye Site. On the basis of this finding, Ecology has determined that you are a Potentially Liable Person (PLP) with regard to the Whitehead Tye Site.

Your rights and responsibilities as a PLP are outlined in Chapter 70.105D RCW, and WAC 173-340. Ecology's site manager for the facility Romy Freier-Coppinger, will contact you with information about how Ecology intends to proceed with the cleanup at this site.

If you have any questions regarding this notice, please contact Romy Freier-Coppinger at (425) 649-7254 or by email at rfre461@ecy.wa.gov.

Sincerely,

Robert Warren
Section Manager
Toxics Cleanup Program
