Re: Determination of Potentially Liable Person Status

Dear Mr. Berg:

On February 22, 2016, the Department of Ecology (Ecology) sent you written notice regarding your proposed status as a potentially liable person (PLP) for a release of hazardous substances at the following site:

- Name: **Chevron USA Inc. SS 97502**
- Previous Address: 124 Ferry St., Sedro-Woolley, WA 98284
- Current Address: 640 Metcalf Street, Sedro-Woolley, WA 98284
- County Assessor's Parcel Number(s): P77454, P77455, P77456, P112800, P112801
- Facility/Site No.: 61112475
- Cleanup Site No.: 6368
- VCP ID No.: NW1452

The City of Sedro-Woolley (City) is the current owner of the above parcels. You have communicated with Ecology that the City does not intend to challenge Ecology's notice identifying the City as a PLP based on the City's status as owner of the above parcels.

Based on the information available to date, Ecology finds that credible evidence exists which supports your status as a PLP for the release at **Chevron USA Inc. SS 97502**. On the basis of this finding, Ecology has determined that you are a PLP with regard to **Chevron USA Inc. SS 97502**.

Your rights and responsibilities as a PLP are outlined in Chapter 70.105D RCW, and WAC 173-340. Ecology's site manager for the facility, Mary O'Herron, will contact you with information about how Ecology intends to proceed with the cleanup at this site.
