Re: Determination of Potentially Liable Person Status

Dear Mr. Hetrick:

On September 17, 2015, the Department of Ecology (Ecology) sent you written notice regarding your proposed status as a potentially liable person (PLP) for a release of hazardous substances at the following site:

- Name: **Newman's Chevron**
- Address: 2021 6th St. Bremerton, WA 98310
- Kitsap County Assessor's Parcel Number: 3717-002-015-0106
- Facility/Site No.: 1436359
- Cleanup Site No.: 5252
- VCP ID No: NW0620

Ecology received Chevron's response on February 3, 2016 accepting PLP status without admitting liability. Chevron requested that Ecology also include Robert and Karin Newman in addition to Wilkins Distributing (Nordic Properties). Ecology has sent notice of potential liability to those parties as well. Based on the information available to date, Ecology finds that credible evidence exists which supports your status as a potentially liable person for the release at **Newman's Chevron**. On the basis of this finding, Ecology has determined that you are a PLP with regard to **Newman's Chevron**.

Your rights and responsibilities as a PLP are outlined in Chapter 70.105D RCW, and WAC 173-340. Ecology's site manager for the facility, Dale Myers, will contact you with information about how Ecology intends to proceed with the cleanup at this site.

Mr. Eric Hetrick
