**Re: Shell Multi-Site Agreement, Extension of Deadline for NW2048 – 803 NW Market Street, Seattle**

Dear Mr. Pineda:

Ecology concurs with your request that the deadline for NW2048 – 803 NW Market Street, Seattle be extended until the Second Quarter of 2016. This deadline extension was discussed in the letter from CRA dated February 28, 2011 and is based upon additional site data required for characterization of the Site and selection of an appropriate remedial action. We appreciate your proactive approach to addressing the timeline for this site.

Brad Gilmore and I are available to discuss this site with your Team as new information becomes available. If you have additional questions, I can be reached at 425-649-7242 or [ligo461@ecy.wa.gov](mailto:ligo461@ecy.wa.gov).

Sincerely,

Libby S. Goldstein
