Re: Termination of VCP Agreement for the following Site:

- **Site Name:** Church of God in Christ
- **Site Address:** 9201 Pacific Ave, Tacoma, WA 98444
- **Facility/Site No.:** 19947
- **VCP Project No.:** SW1467

Dear Mr. Nels Cone:

The Department of Ecology (Ecology) is terminating the VCP Agreement governing Project No. SW1467. The project involved the cleanup of the Church of God in Christ facility (Site). The effective date of termination is the date of this letter. We are providing this notice in accordance with the terms of the Agreement.

Reason

Ecology is terminating the Agreement because you informed us by phone on June 1, 2016 that AMERCO Real Estate Company would replace Nels Cone as our Customer. Under the Agreement, the Customer is the person authorized to request services from Ecology and is responsible for paying for those requested services. To facilitate this change, we must terminate the Agreement with you and enter into a new Agreement with AMERCO Real Estate Company.

Next Steps

Based on this decision, Ecology may take one or more of the following steps:

1. Send you an invoice for any costs remaining on your account. In accordance with the terms of the Agreement, you remain responsible for any costs incurred by us before the effective date of termination.

2. Upon receipt, review the VCP application submitted by AMERCO Real Estate Company.

If we accept the VCP application, we will enter into a new Agreement with AMERCO Real Estate Company and assign the Project a new identification number.
