Dear Mr. Menard:

The Department of Ecology (Ecology) is terminating the VCP Agreement governing Project No. NW2704. The project involved the cleanup of the Sound Transit NE 45th Street facility (Site). The effective date of termination is the date of this letter. We are providing this notice in accordance with the terms of the Agreement.

Reason

Ecology is terminating the Agreement because we understand that you are not actively cleaning up the Site. On August 21, 2014, we sent you a letter requesting an update on the status of your cleanup and your plan for completing the cleanup. Since to this date we have not received any information, we have decided to terminate the Agreement.

Next Steps

1. Conduct a site hazard assessment (SHA) and rank the Site for further action.
2. Identify those persons we find potentially liable for cleanup of the Site.
3. Initiate discussions for an agreed order or consent decree that will govern further action at the Site.
