RE: Determination of Potentially Liable Person Status

Dear Mr. Eran Fields:

On April 26, 2016, the Department of Ecology (Ecology) sent you written notice regarding your proposed status as a potentially liable person (PLP) for a release of hazardous substances at the following site:

- Name: **Chevron 90129**
- Address: 4700 Brooklyn Ave NE Seattle WA 98105
- County Assessor's Parcel Number 8816400985
- Facility/Site No.: 81966648
- Cleanup Site No.: 10632

The 30-day comment period on this preliminary notice expired on May 26, 2016.

FH Brooklyn, LLC (Brooklyn) is the current owner of the above parcel. You have communicated with Ecology that the Brooklyn does not intend to challenge Ecology's notice identifying the Brooklyn as a PLP based on the Brooklyn's status as owner of the above parcels.

Based on the information available to date, Ecology finds that credible evidence exists which supports your status as a PLP for the release at Chevron 90129. On the basis of this finding, Ecology has determined that you are a PLP with regard to Chevron 90129.

Your rights and responsibilities as a PLP are outlined in Chapter 70.105D RCW, and WAC 173-340. Ecology's site manager for the facility, Dale Myers, will contact you with information about how Ecology intends to proceed with the cleanup at this site.
