The Tacoma-Pierce County Health Department has reviewed all UST Site Closure documents submitted to our office for the subject site.

Information contained in our file indicates contamination associated with the UST(s) onsite has been determined to be absent or within acceptable levels. *In accordance with the Environmental Health Code Chapter 4: USTs, Site Closure standards have been achieved and no additional investigation or remedial action will be required by the Health Department.* This Site Closure determination is based solely on information provided to the Health Department and does not constitute a determination from any other regulatory agency.

This *Site Closure* determination is made only with respect to the area of the subject property where the UST actions took place.

If you have questions or concerns, please contact me at (253) 798-2855 or rolsen@tpchd.org.

Sincerely,

Rob Olsen
