RE: Order No. DE 86-419

Dear Mr. Ray:

Under separate cover, the Department of Ecology is transmitting an amendment to the above referenced order. In the original order, the June 1, 1986, submittal deadlines under Items B and C were incorrect. They should have read June 1, 1987. The amendment will correct the order to reflect the dates as agreed during our discussion with your staff.

Please accept my apologies for this error. I hope you and your staff have not been inconvenienced.

Sincerely,

A handwritten signature in cursive script, appearing to read "Theodore J. Mix".
