

WAC 197-11-970 Determination of Nonsignificance (DNS).

DETERMINATION OF NONSIGNIFICANCE

Description of proposal: Gas Works Park Injection Infrastructure and Monitoring Well Installation. The proposal consists of installing subsurface injection infrastructure consisting of 35 injection wells, conveyance piping (approximately 450 linear feet), and two utility vaults. Injection wells will be connected below grade to the conveyance piping and the conveyance piping will be connected below grade to the utility vaults.

Proponent: Puget Sound Energy

Location of proposal, including street address, if any: 1801 North Northlake Way, Seattle Washington 98103

Lead agency: Washington State Department of Ecology

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030 (2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

This DNS is issued under WAC 197-11-340(2)(a) and -268(1); the lead agency will not act on this proposal for 15 days from the date below. Comments must be submitted by March 16, 2017.

Responsible official: Bob Warren
