Ms. Susan Messagee, AICP
City of Olympia, Planning and Development
PO Box 1967
Olympia, WA 98504-1967

Dear Ms. Messagee:

This letter is to inform you that the environmental cleanup on portions of Briggs Nursery property has been completed. All of the uplands west of Henderson Boulevard, that is excluding the kettles, are now in compliance with Model Toxics Control Act residential cleanup standards.

If you have any questions or concerns, please feel free to contact me. Thank you.

Sincerely,

Lisa Pearson
Project Engineer
Toxics Cleanup Program
Southwest Regional Office
