**RE: Underground Storage Tank Removal:**  
**1100 Alexander Avenue, Tank AA-1**  
**Removal Date: 11/98, Permit #: 9899**

Dear Ms. Stotz:

This letter is to inform you that the Tacoma-Pierce County Health Department (TPCHD) has reviewed the March 1999 *Site Assessment Report* submitted by Horus Environmental, for the above referenced property.

Information contained in this report indicates that no petroleum related contamination associated with the underground storage tank (UST) remains. At this time, the TPCHD requires no further investigation or remedial actions. This determination is based solely on information provided to the TPCHD and does not constitute a determination from any other regulatory agency.

If you have any questions regarding this property, please contact me at (253) 798-6566.

Sincerely,

Andrew Riddell  
Environmental Health Specialist  
Source Protection Program
