Dear Mr. Chandler:

The Department of Ecology (Ecology) appreciates your decision to clean up the **Time Oil Co Seattle Terminal** (Site) independently. This letter is a reminder about the project and that Ecology is committed to assisting you in reaching site closure. In order to do that, we are requesting information on the status of your cleanup and your continued interest in the Voluntary Cleanup Program (VCP).

Ecology was informed of the recent bankruptcy filing of TOC Holdings. Ecology requests a response from TOC Holdings regarding the status of continued participation in the VCP for the Site.

Next Steps

Based on your response, Ecology may contact you to discuss whether continuing participation in the VCP is warranted at this time. If the VCP is terminated, you can always re-apply in the future when more remedial activities have occurred or a request for opinion is needed. Ecology's decision to terminate participation will be provided in writing. **Please note that if no response is received within 30 days of the date of this letter, Ecology will close the VCP Agreement governing this project.**
