Dear Mr. Roehl:

The Department of Ecology (Ecology) appreciates your decision to clean up the Hazel Dell Auto Care Center (Site) independently. However, we have not received any information regarding Site cleanup since the January 13, 2015 letter from your consultant (Leidos) in response to our October 14, 2014 Opinion Letter. We responded to your consultant's letter via e-mail on February 20, 2015.

This letter requests information on the status of your cleanup and your continued interest in the Voluntary Cleanup Program (VCP).

**Request for Information**

Please submit the following information to Ecology within 30 days of the date of this letter:

1. Any reports documenting the cleanup.
