Dear Ms. Gray:

We have considered your July 10, 2017 e-mail request for a one month extension of the deadline for the submittal of the above-referenced plans to Ecology for review. We agree that it is appropriate for you to have this extension because of the extra time it is taking to gather and convert the historical data into electronic format. **Therefore, the new deadline for the submittal of these plans to Ecology is August 31, 2017.**

If you have any questions, please contact me at (360) 407-6247 or via e-mail at steve.teel@ecy.wa.gov.

Sincerely,

Steve Teel, LHG
