Re: Former Chevron Pipeline Company Pasco Bulk Terminal Site – Change of Ecology’s Project Coordinator under Agreed Order No. DE 12989

Dear Ms. Duarte:

This letter is to inform you that Ecology will be changing the project coordinator for the former Chevron Pipeline Company Pasco Bulk Terminal Site. In accordance with Section VIII of Agreed Order No. DE 12989, this letter constitutes the written notification requirement prior to changing Ecology’s Project Coordinator. Effective August 1st, 2017, Ecology’s Project Coordinator under this Order will be:

Christer Loftenius - Hydrogeologist
Toxics Cleanup Program
Dept. of Ecology-Eastern Regional Office
4601 N Monroe, Spokane, WA 99205
Tel: (509) 329-3543
Email: clof461@ecy.wa.gov

If you have any questions, please contact Christer beginning August 1. Thank you.

Sincerely,

William J. Fees, P.E.
Site Manager
Toxics Cleanup Program
