RE: Determination of Potentially Liable Person Status for:

Site Name: KAG Truck Spill
Site Address: I-90 Milepost 81, Cle Elum
Facility/Site ID No.: 16970
Cleanup Site ID No.: 12993

Dear Mr. Wymer:

On November 3, 2017, the Department of Ecology (Ecology) sent you written notice regarding your proposed status as a potentially liable person (PLP) for a release of hazardous substances at the KAG Truck Spill site.

Ecology received your acceptance as a Potentially Liable Person on November 14, 2017. Based on this acceptance and the information available to date, Ecology finds that credible evidence exists which supports your status as a potentially liable person for the release at KAG Truck Spill. On the basis of this finding, Ecology has determined that Kenan Advantage Group West, LLC is a Potentially Liable Person (PLP) with regard to KAG Truck Spill Site.

Your rights and responsibilities as a PLP are outlined in Chapter 70.105D RCW, and WAC 173-340. Ecology's site manager for the facility Kyle Parker, will contact you with information about how Ecology intends to proceed with the cleanup at this site.

If you have any questions regarding this notice, please contact Kyle Parker at (509) 454-7833 or by email at kyle.parker@ecy.wa.gov.

Sincerely,
