

## Table of household products containing volatile organic compounds (VOCs)

| Examples of Household Products                                                                                                                                                                                                | Possible VOC Ingredients                                                                                                                 |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Fuel containers or devices using gasoline, kerosene, fuel oil and products with petroleum distillates: paint thinner, oil-based stains and paint, aerosol or liquid insect pest products, mineral spirits, furniture polishes | BTEX (benzene, toluene, ethylbenzene, xylene), hexane, cyclohexane, 1,2,4-trimethylbenzene                                               |
| Personal care products: nail polish, nail polish remover, colognes, perfumes, rubbing alcohol, hair spray                                                                                                                     | Acetone, ethyl alcohol, isopropyl alcohol, methacrylates (methyl or ethyl), ethyl acetate                                                |
| Dry cleaned clothes, spot removers, fabric/leather cleaners                                                                                                                                                                   | Tetrachloroethene (perchloroethene (PERC), trichloroethene (TCE))                                                                        |
| Citrus (orange) oil or pine oil cleaners, solvents and some odor masking products                                                                                                                                             | d-limonene (citrus odor), a-pinene (pine odor), isoprene                                                                                 |
| PVC cement and primer, various adhesives, contact cement, model cement                                                                                                                                                        | Tetrahydrofuran, cyclohexane, methyl ethyl ketone (MEK), toluene, acetone, hexane, 1,1,1-trichloroethane, methyl-iso-butyl ketone (MIBK) |
| Paint stripper, adhesive (glue) removers                                                                                                                                                                                      | Methylene chloride, toluene, older products may contain carbon tetrachloride                                                             |
| Degreasers, aerosol penetrating oils, brake cleaner, carburetor cleaner, commercial solvents, electronics cleaners, spray lubricants                                                                                          | Methylene chloride, PERC, TCE, toluene, xylenes, methyl ethyl ketone, 1,1,1-trichloroethane                                              |
| Moth balls, moth flakes, deodorizers, air fresheners                                                                                                                                                                          | 1,4-dichlorobenzene, naphthalene                                                                                                         |
| Refrigerant from air conditioners, freezers, refrigerators, dehumidifiers                                                                                                                                                     | Freons (trichlorofluoromethane, dichlorodifluoromethane)                                                                                 |
| Aerosol spray products for some paints, cosmetics, automotive products, leather treatments, pesticides                                                                                                                        | Heptane, butane, pentane                                                                                                                 |
| Upholstered furniture, carpets, plywood, pressed wood products                                                                                                                                                                | Formaldehyde                                                                                                                             |
