Dear Mr. Collins:

The Washington State Department of Ecology (Ecology) received your Compliance Monitoring Plan (CMP) on November 30, 2017 for the Tidewater Fuel Line Leak Site at the Tidewater facility in Pasco, Franklin County, WA facility (CSID No. 2331). The plan is consistent with the Consent Decree No. 16 250951 11 between Tidewater Terminal Co. Inc. and Ecology, dated Nov. 22, 2016. Ecology approves the submitted CMP, dated November 2017. Based on the schedule in the Consent Decree the first groundwater sampling event should be conducted the first quarter of 2018.

If you have any questions about this opinion, please contact me by phone at (509)-329-3543 or e-mail at [clof461@ecy.wa.gov](mailto:clof461@ecy.wa.gov).
