### Narrative

4/7/17 Received Remedial Action Summary from GeoEngineers.

12/5/17 Notified of address change by Paul Criag, GeoEngineers on behalf of PSE. PSE Shuffleton address no longer 1101 but now 1095. GeoEngineers will submit an UPDATED Remedial Action Summary with correct address or 1095 Lake Washington Blvd N, Renton.

12/06/2017 Received "Remedial Action Summary\_Revised\_12.06.17" from Paul Craig at GeoEngineers.

Il write-up by Donna Musa:

On behalf of Puget Sound Energy, GeoEngineers notified Ecology of a 25-gallon non-PCB mineral oil spill that occurred while transferring oil from a power transformer to a delivery truck/tanker. At the time of notification Ecology was informed that a crew was en-route for cleanup.

Documents Reviewed:

Remedial Action Summary\_Revised\_12.06.17, Mineral Oil Release, Shuffleton Storage Yard, 1095 Lake Washington Boulevard North, Renton, Washington. GeoEngineers, Inc., Redmond, Washington. December 6, 2017.

Based on the 12/6/17 Remedial Action Summary, the spill area was over-excavated. Confirmation samples taken between 1 and 3.5 feet below ground surface indicate all impacted soils were removed. No groundwater or surface water was impacted due to the immediate cleanup action taken. Recommendation: NFA due to independent remediation.

12/8/17 Louise Bardy approved NFA determination. New TCP file "PSE Shuffleton 2017 Mineral Oil Spill" routed to Central Records by Musa.

Vessel Emergency ☐
