ADMINISTRATIVE ORDER AMENDMENTS

The Corrective Action required is amended to the following:

1. Designation: WAC 173-303-170(1)(a) and by reference WAC 173-303-070(3)

No later than October 23, 2015, Treoil must designate the wastes listed in Violation 1 of the original Order Docket #11685, and submit a report to the Department of Ecology detailing the designation pursuant to WAC 173-303-220(3).

Include laboratory analytical results in the report to the Department of Ecology. If you use generator knowledge, provide a written explanation of how you arrived at your decision. (Please note that generic material safety data sheets do not necessarily pertain to the specific waste you have on site and will not suffice.)

2. Obtain a RCRA Site Identification (ID) Number: WAC 173-303-060(1)

No later than October 23, 2015, Treoil must obtain a RCRA Site ID Number.

Call the Annual Reporting Hotline at 1-800-874-2022 for assistance with this action.

3. Proper Disposal: WAC 173-303-141(1)

No later than October 23, 2015, Treoil must dispose of all dangerous waste on site to a permitted treatment, storage, and disposal facility (TSD) and submit a report to the Department of Ecology detailing the proper transport and disposal of the wastes.

Attach manifests and bills of lading for the transport and disposal of the wastes to the report.

4. Dangerous Waste Annual Report: WAC 173-303-170(2) and by reference 060(5) and 220(1)

No later than October 23, 2015, Treoil must submit the Dangerous Waste Annual Report for 2015 to the Department of Ecology.

Call the Annual Reporting Hotline at 1-800-874-2022 for assistance with this action.

No other condition or requirement of Order Docket #11685 is hereby affected by this amendment.

ELIGIBILITY FOR PAPERWORK VIOLATION WAIVER AND OPPORTUNITY TO CORRECT

Under RCW 34.05.110, small businesses are eligible for a waiver of a first-time paperwork violation and an opportunity to correct other violations.

Ecology has determined the violations described in this Order are not paperwork violations under RCW 34.05.110 and therefore you are not eligible for a waiver for a first-time paperwork violation.

Ecology has determined that you are not eligible for an opportunity to correct under RCW 34.05.110 because:

- On November 1, 2014 you were provided the opportunity to correct Violation 1 above, by December 1, 2014. You received due date extensions to January 30, 2015, March 31, 2015, and April 15, 2015 and did not do so by the reasonable time period of five months. As a result, Violation 1 and Violation 2 have occurred.
- The effect of the violations poses a potentially significant threat to human health or the environment or causes serious harm to the public interest.

FAILURE TO COMPLY

Failure to comply with this Order may result in the issuance of civil penalties or other actions, administrative and/or judicial, to enforce the terms of this Order.

You have a right to appeal this Order to the Pollution Control Hearing Board (PCHB) within 30 days of the date of receipt of this Order. The appeal process is governed by Chapter 43.21B RCW and Chapter 371-08 WAC. "Date of receipt" is defined in RCW 43.21B.001(2).
