SUBJECT: Agreed Order Docket Number DE 94TC-C420

The State of Washington Department of Ecology (Ecology) dismisses Agreed Order docket number DE 94TC-C420 (AO). This AO was an agreement between Ecology and Frank Wear Cleaners Facility and signed by Mr. G. A. Stoffers. Frank Wear Cleaners Inc. business license expired in May 2000 and Gregory Stoffers passed away in April 2003. Ecology will pursue alternative avenues to effectuate cleanup, as the company and person of record on the AO can no longer complete the "Work to be Performed."
