

## STATE OF WASHINGTON DEPARTMENT OF ECOLOGY

4601 N Monroe Street • Spokane, Washington 99205-1295 • (509)329-3400

June 10, 2008

Mr. John Damrell Jolida Cars Inc. 901 Aaron Drive Richland, WA 99352

Dear Mr. Damrell:

Re: No Further Action Determination under WAC 173-340-515(5) for the following Hazardous Waste Site:

• Name: Pasco Port Dicks U Drive Inc

Address: Argent Rd & Ave C

Facility/Site No.: 16491467
 VCP No.: EA0171

Thank you for submitting your independent remedial action report for the Pasco Port Dicks U Drive Inc facility (Site) for review by the State of Washington Department of Ecology (Ecology) under the Voluntary Cleanup Program (VCP). Ecology appreciates your initiative in pursuing this administrative option for cleaning up hazardous waste sites under the Model Toxics Control Act (MTCA), Chapter 70.105D RCW.

This letter constitutes an advisory opinion regarding whether further remedial action is necessary at the Site to meet the substantive requirements of MTCA and its implementing regulations, Chapter 70.105D RCW and Chapter 173-340 WAC. Ecology is providing this advisory opinion under the specific authority of RCW 70.105D.030(1)(i) and WAC 173-340-515(5).

This opinion does not resolve a person's liability to the state under MTCA or protect a person from contribution claims by third parties for matters addressed by the opinion. The state does not have the authority to settle with any person potentially liable under MTCA except in accordance with RCW 70.105D.040(4). The opinion is advisory only and not binding on Ecology.

Ecology's Toxics Cleanup Program has reviewed the following information regarding the Site:

<u>LUST Closure/Interim Cleanup Report, Budget Rent-A-Car, Port of Pasco, Pasco, Washington:</u> White Shield, Inc., March 1994.

Budget Rent A Car Site Reassessment & Final Report, Pasco Airport: Petco Inc., April 2008.

Pasco Port Dicks U Drive Inc., Addendum: Petco Inc., June 4, 2008.

The documents listed above will be kept in the Central Files of the Eastern Regional Office of Ecology (ERO) for review by appointment only. Appointments can be made by calling Ms. Johnnie Landis at 509/329-3415.

Mr. John Damrell June 10, 2008 Page | 2

The Site is defined by the extent of contamination caused by the following release:

Petroleum hydrocarbons in Soil.

The Site is more particularly described in Enclosure A to this letter, which includes a detailed Site diagram. The description of the Site is based solely on the information contained in the documents listed above.

Based on a review of the independent remedial action report and supporting documentation listed above, Ecology has determined that the independent remedial actions conducted at the Site are sufficient to meet the substantive requirements contained in MTCA and its implementing regulations, Chapter 70.105D RCW and Chapter 173-340 WAC, for characterizing and addressing the contamination at the Site. Therefore, pursuant to WAC 173-340-515(5), Ecology is issuing this opinion that no further remedial action is necessary at the Site under MTCA.

Based on this no further action determination, Ecology will update the status of the Site on its site database and the Leaking Underground Storage Tank (LUST) List and remove the Site from the Confirmed and Suspected Contaminated Sites List.

This no further action determination does not apply to any other releases or potential releases of contaminants that may impact any other portion of any property impacted by this Site, or any other property owned or operated by Jolida Cars Inc.

Please note that this opinion is based solely on the information contained in the documents listed above. Therefore, if any of the information contained in those documents is materially false or misleading, then this opinion will automatically be rendered null and void and further remedial action may be required at the Site.

The state, Ecology, and its officers and employees make no guarantees or assurances by providing this opinion, and no cause of action against the state, Ecology, its officers or employees may arise from any act or omission in providing this opinion.

Again, Ecology appreciates your initiative in successfully completing cleanup under the Voluntary Cleanup Program. Please contact me at 509/329-3522 if you have any questions regarding this opinion.

Sincerely,

Patti Carter

ERO Toxics Cleanup Program
