Re: Request for Extension – Agreed Order No. DE 6815
Rayonier Port Angeles Mill, Port Angeles, WA

Dear Mr. Snyder:

On February 26, 2018, Ecology received Rayonier AM's request for extension of time for submittal of the Public Review Draft (PRD) of Interim Action Report Volume III (Volume III). Rayonier has requested an additional 30 days with a new submittal date of no later than March 30, 2018.

Ecology recognizes the revisions to Volume III are substantial and a big lift for a new consultant. We appreciated seeing the progress made on the report at the January 30 meeting, and recognize considerable work is yet to be done.

Ecology approves the 30 day extension of schedule. The PRD Volume III report is now due no later than March 30, 2018. If you have any questions, I may be reached at (360)407-6257.

Sincerely,
