Dear Mr. Peterson:

RE: Determination of Potentially Liable Person Status, Ken's Auto Wash II, Kittitas County, Washington

On or before January 28, 2003, the Department of Ecology (Ecology) sent you written notice regarding your proposed status as a potentially liable person for a release of hazardous substances at the Ken's Auto Wash II Site. The 30-day comment period on this preliminary notice has expired.

We have received and evaluated your comments. Based on the information available to date, Ecology finds that credible evidence exists which supports your status as a potentially liable person for a release at the Ken's Auto Wash II Site. On the basis of this finding, the Department of Ecology has determined that you are a Potentially Liable Person (PLP) with regard to this site.

Your rights and responsibilities as a PLP are outlined in Chapter 70.105D RCW and WAC 173-340. If you have any questions regarding this notice, please contact Krystal Rodriguez at (509) 454-7842.

Sincerely,
