RE: Determination of Potentially Liable Person Status

Dear Mr. Barnette:

On November 8, 1993 the Department of Ecology (Ecology) sent you written notice regarding your proposed status as a potentially liable person for a release of hazardous substances at the Hungry Whale Grocery in Westport. The 30 day comment period on this preliminary notice expired on December 8, 1993.

Based on the information available to date, Ecology finds that credible evidence exists which supports your status as a potentially liable person for the release at the Hungry Whale Grocery. On the basis of this finding, Ecology has determined that you are a Potentially Liable Person (PLP) with regard to the Hungry Whale.

Your rights and responsibilities as a PLP are outlined in Chapter 70.105D RCW, and Chapter 173-340 WAC. Ecology's site manager for the facility Tammy Hall, will contact you with information about how the Department intends to proceed with the cleanup at this site.

If you have any questions regarding this notice, please contact Tammy Hall at 206-586-5557.

Sincerely,

A handwritten signature in cursive script that reads "Megan White".
