Dear Mr. Jung Cha:

The King County Health Department has completed the site hazard assessment (SHA) of the Town & Country Cleaners site, as required under the Model Toxics Control Act. A determination of no further action (NFA) at this site has been made by Ecology based on this SHA.

For your information, Ecology will be publishing the results of this, and other recently completed, SHAs in the February 18, 1997 Special Issue of the Site Register.

Ecology reserves the right to initiate further investigation at this site where new information is received indicating a potential/actual threat to human health and/or the environment through the release of hazardous substance(s).

Please contact us at (206) 296-4830 if you have any questions/comments regarding this SHA/determination of NFA.

Sincerely,

Carsten Thomsen
