Re: Effective Date of Agreed Order No. DE 9000 for Blaine Marina Inc. Site, Blaine, WA

Dear Mr. Stoner:

The 30-day comment period on the draft Agreed Order for the Blaine Marina Inc. Site with the Facility Site Number of 2888 has ended. Ecology will not be making any change to the Agreed Order based on comments received. Ecology signed the Agreed Order on May 25, 2012. The Agreed Order became effective on that date for all purposes, including the schedule of deliverables included in the Agreed Order Section VII.

The rights and responsibilities as a PLP are outlined in Chapter 70.105D RCW and WAC 173-340. Section VII of the Agreed Order outlines the work to be performed and the deliverable dates.

We look forward to working with you on this Site Cleanup. If you have any questions or need assistance, you can contact the assigned site manager Jing Liu at 425-649-4310 or jliu461@ecy.wa.gov.

Sincerely,

Robert W. Warren, P. Hg., MBA
