**Re: Termination of Voluntary Cleanup Program (VCP) Agreement
for the following Site:**

- **Site Name:** Rio West Restaurant
- **Site Address:** 2945 Ocean Beach Highway, Longview, Washington 98632
- **Facility/Site No.:** 9279514
- **VCP Project No.:** SW0687

Dear Ms. Wager:

The Department of Ecology (Ecology) is terminating the VCP Agreement governing Project No. SW0687. The project involved the cleanup of the Rio West Restaurant facility (Site).

The effective date of termination is the date of this letter. We are providing this notice in accordance with the terms of the Agreement.

Reason

Ecology is terminating the Agreement because we understand that you are not actively cleaning up the Site. On March 26, 2018, we sent you a letter requesting an update on the status of your cleanup and your plan for completing the cleanup.

You did not respond to that request. Since we have not heard from you, we have decided to terminate the Agreement.

Ms. Janet Wager

Next Steps

Based on this decision, Ecology will be taking the following step:

- Send you an invoice for any costs remaining on your account. In accordance with the terms of the Agreement, you remain responsible for any costs incurred by us before the effective date of termination.

You may apply to reenter the VCP if you decide to conduct further action at the Site.

If you have any questions about this notice, please contact me at (360) 407-7236 or Sandra.Caldwell@ecy.wa.gov.

Sincerely,
