On December 15, 1992 the Department of Ecology (Ecology) sent you written notice regarding your proposed status as a Potentially Liable Person (PLP) for a release of hazardous substances at the Exxon Tiger Oil site, 1808 North First Street, Yakima WA. The 30 day comment period on this preliminary notice expired on January 15, 1993, and at your request an extension was granted to February 1, 1993.
