Sang Man Kim:

This letter is to inform you that your assigned Voluntary Cleanup Program project manager, Aaren Fielder, has accepted a new position at the Department of Ecology and is no longer assigned to your Site cleanup.

Ecology is not currently able to assign a replacement site manager at this time; however we are currently in the process of backfilling this position and hope to have a new site manager assigned soon. Until a new project manager can be hired, this project has been transferred to Ecology's Voluntary Cleanup Program VCP Wait List-Existing. The wait list can be accessed at the following website: <https://fortress.wa.gov/ecy/tcpwebreporting/report.aspx>.

If you have any questions regarding this change, please contact me at (360) 407-6347 or by email at [nicholas.acklam@ecy.wa.gov](mailto:nicholas.acklam@ecy.wa.gov).

Sincerely,

Nicholas M. Acklam
