Re: Archaeology – Accept Report; Concur with Monitoring Plan

Dear Ms. Earley:

Thank you for contacting the State Historic Preservation Officer (SHPO) and the Department of Archaeology and Historic Preservation (DAHP) with documentation regarding the above referenced project. In response, we agree with the findings in the cultural resources overview report and the report has been accepted by the DAHP. In addition we agree with the procedures outlined in the Monitoring and Inadvertent Discovery Plan that your office prepared for OAC Services & BMR-Dexter LLC.

We appreciate receiving any correspondence or comments from concerned tribes and other parties that you receive during the course of this project.

These comments are based on the information available at the time of this review and on behalf of the SHPO pursuant to Washington State law. Please note that should the project scope of work and/or location change significantly, please contact DAHP for further review.

Thank you for the opportunity to review and comment. Please ensure that the DAHP Project Number (a.k.a. Project Tracking Code) is shared with any hired cultural resource consultants and is attached to any communications or submitted reports. Should you have any questions, please feel free to contact me.

Sincerely,
