Dear Robert Suss:

The Department of Ecology (Ecology) is terminating the Voluntary Cleanup Program (VCP) Agreement governing Project No. SW1547. The project involved the cleanup of the Sumner National Auto Parts facility (Site). The effective date of termination is the date of this letter. We are providing this notice in accordance with the terms of the Agreement.

Reason

Ecology sent you a VCP Status Request letter on December 12, 2018. You replied by phone to Ecology that you no longer intended to be the active VCP customer based on the sale of Pierce County tax parcel 0520198006.

Per the Pierce County Assessor-Treasurer website (last accessed February 19, 2019), tax parcel 0520198006 was sold on October 12, 2017, transferring by statutory warranty deed from Robert A & Grace M Suss to Phil's Speed Shop LLC. Tax parcel 0520198006 has a street address of 16008 60th Street East, Sumner, Pierce County, Washington 98390.

Next Steps

Based on this decision, Ecology may send you an invoice for any costs remaining on your account. In accordance with the terms of the Agreement, **you** remain responsible for any costs incurred by us before the effective date of termination.

You may apply to reenter the VCP if you decide to conduct further action at the Site.
