Dear Tom Lovejoy:

The Department of Ecology (Ecology) is terminating the VCP Agreement governing Project No. SW1429. The project involved the cleanup of the Puget Sound Truck Lines Longview facility (Site). The effective date of termination is March 19, 2019. We are providing this notice in accordance with the terms of the Agreement.

Reason

Ecology is terminating the Agreement because you informed us by letter on March 19, 2019, that Wil-Hunt I LLC would replace Puget Sound Truck Lines as our Customer. Under the Agreement, the Customer is the person authorized to request services from Ecology and is responsible for paying for those requested services. To facilitate this change, we must terminate the Agreement with you and enter into a new Agreement with Wil-Hunt I LLC.

Next Steps

Based on this decision, Ecology may take one or more of the following steps:

1. Send you an invoice for any costs remaining on your account. In accordance with the terms of the Agreement, you remain responsible for any costs incurred by us before the effective date of the termination.

2. Upon receipt, review the VCP application submitted by Wil-Hunt I LLC.

If we accept the VCP application, we will enter into a new Agreement with Wil-Hunt I LLC and assign the Project a new identification number.

Contact Information

Ecology is committed to working with you to accomplish the prompt and effective cleanup of the Site. If you have any questions about this notice, please contact me at (360) 407-6241.
