RE: Determination of Potentially Liable Person Status

Dear Mr. Labaz:

On July 2, 2014 the Department of Ecology (Ecology) sent you written notice regarding your proposed status as a potentially liable person (PLP) for a release of hazardous substances at the following site:

- Name: B & L Woodwaste Landfill
- Address: 1522 Fife Way East, Milton, WA 98354
- County Assessor's Parcel Number(s) 0420053065
- Facility/Site No.: 1203

The 30-day comment period on this preliminary notice expired on August 5, 2014.

We have not received comments from you as of August 6, 2014. Based on the information available to date, Ecology finds that credible evidence exists which supports your status as a potentially liable person for the release at the B & L Woodwaste Landfill (Site). On the basis of this finding, Ecology has determined that you are a Potentially Liable Person (PLP) with regard to the B & L Woodwaste Landfill Site.

Your rights and responsibilities as a PLP are outlined in Chapter 70.105D RCW, and WAC 173-340. Ecology's site manager for the facility Mohsen Kourehdar will contact you with information about how Ecology intends to proceed with the cleanup at this site.

If you have any questions regarding this notice, please contact Mohsen Kourehdar at 360-407-6256.

Sincerely,
