RE: Determination of Potentially Liable Person Status

Dear Mr. Dixon:

On March 30, 2012 the Department of Ecology (Ecology) sent you written notice regarding your proposed status as a potentially liable person (PLP) for a release of hazardous substances at the following site:

- Name: CMG Property
- Address: 502 North Avenue, Sunnyside
- Assessor's Parcel No.: 221024-34462
- Facility/Site ID No.: 6752215
- Cleanup Site ID No.: 5418

The 30-day comment period on this preliminary notice expired on April 30, 2012.

We have not received comments from you as of June 30, 2012. Based on the information available to date, Ecology finds that credible evidence exists which supports your status as a potentially liable person for the release at CMG Property Site. On the basis of this finding, Ecology has determined that you are a Potentially Liable Person (PLP) with regard to CMG Property Site.

Your rights and responsibilities as a PLP are outlined in Chapter 70.105D RCW, and WAC 173-340. Ecology's site manager for the facility Mary Monahan, will contact you with information about how Ecology intends to proceed with the cleanup at this site.
