RE: Determination of Potentially Liable Person Status

Dear Mr. and Mrs. Siekawitch:

On October 6, 2011 the Department of Ecology (Ecology) sent you written notice regarding your proposed status as a potentially liable person (PLP) for a release of hazardous substances at the following site:

- Name: Gold Nugget Market
- Address: 1041 Buena Road
- Assessor's Parcel No.: 201122-23014
- Facility/Site ID No.: 28575673
- Cleanup Site ID No.: 5818

The 30-day comment period on this preliminary notice expired on November 6, 2011.

We have not received comments from you as of June 30, 2012. Based on the information available to date, Ecology finds that credible evidence exists which supports your status as a potentially liable person for the release at Gold Nugget Market Site. On the basis of this finding, Ecology has determined that you are a Potentially Liable Person (PLP) with regard to Gold Nugget Market Site.

Your rights and responsibilities as a PLP are outlined in Chapter 70.105D RCW, and WAC 173-340. Ecology's site manager for the facility Mary Monahan, will contact you with information about how Ecology intends to proceed with the cleanup at this site.
