May 9, 2018

Ecology has determined that this proposal will not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). We have reviewed the attached Environmental Checklist and Agreed Order No. SE 13972. This is available at: <https://fortress.wa.gov/ecy/gsp/Sitepage.aspx?csid 3675>.

This determination is based on the following findings and conclusions: The purpose of the project is to remediate environmental contamination that threatens human health and the environment.

The comment period for this DNS corresponds with the comment period for Agreed Order No. DE 13972 and will end on
