

MEMORANDUM
DEPARTMENT OF ECOLOGY
NORTHWEST REGIONAL OFFICE

Date: 3-10-09
To: Joseph Simon and Sons Kent
From: Nancy Lui
Subject: Comment Period on January 30 – March 2, 2009

A public comment period was conducted from January 30 – March 2, 2009 requesting comments to de-list Joseph Simon and Sons Kent from the Hazardous Sites List.

The file was made available at the following information repositories:

- Washington State Department of Ecology, 3190 160th Avenue SE, Bellevue;

The public was notified of the comment period through the following mechanisms:

- A mailing list of approximately 2,919 individuals or organizations.
- A fact sheet was mailed on Jan. 16, 2009 to those on the mailing list.
- The fact sheet was available on Ecology's web site.
- Ecology Site Register publication number 09-09-041 B.
- Notice of the comment period was posted on Ecology's internet calendar.
- An ad was published in the Kent Reporter on Jan. 28, 2009.

Ecology did receive one public comment. No substantial changes will be made to de-listing the site from the Hazardous Site List. This site will now be delisted from the Hazardous Site List.
